PJI's East Java team have been working with students from three SLB's focusing on the hearing impaired. Using the MetLife Foundation Award support students are learning about business in a methodical and structured manner. The objective is to build a strong foundation on which students can base the working of their own mini-enterprise. The three schools are SLB Dharma Wanita in Sidoarjo, SLB Karya Mulia in Surabaya, and SLB Seduri in Mojokerto.
